

ARS – ASX ANNOUNCEMENT

6 June 2019

MODIFICATION OF SHARE PURCHASE PLAN

On 24 May 2019, Alt Resources Limited (ACN 168 928 416) (**Company**) announced an offer to eligible shareholders to participate in the Company's replacement Share Purchase Plan (**Replacement SPP**) which replaced the Company's original share purchase plan announced on 30 April 2019 (**Original SPP**).

The Replacement SPP currently entitles eligible shareholders, irrespective of the size of their shareholding, to purchase up to \$15,000 worth of fully paid ordinary shares in the capital of the Company (**Shares**) at an issue price of \$0.024 per Share (**SPP Price**).

On 4 June 2019, the Company announced that it had received firm commitments to raise \$1,351,400 (**Placement**). The Placement is to be conducted via the issue of an aggregate 67,570,000 Shares in two (2) tranches at an issue price of \$0.020 per Share (**Placement Price**).

In light of the Placement and in order to provide eligible shareholders with the ability to participate in the Company's capital raising activities, the Company has resolved to modify the terms of the Replacement SPP in order to:

- a) reduce the SPP Price from \$0.024 to \$0.020 per Share (**Revised SPP Price**), being the same price as the Placement Price; and
- b) extend the closing date for the Replacement SPP from 7 June 2019 to 14 June 2019 (**Revised Closing Date**).

The Revised SPP Price is a discount of 14.92% to \$0.0235 (being the volume weighted average market price (VWAP) for the Shares over the last 5 days on which sales in the Shares were recorded before the day on which the Original SPP was announced (30 April 2019)).

Other than the modifications noted above, all terms and conditions of the Replacement SPP remain unchanged.

Shareholders eligible to participate in the Replacement SPP remain those who are registered as holders of Shares at 7:00pm (AEST) on 29 April 2019 (**Record Date**) and whose registered address is in Australia or New Zealand.

About Alt Resources Limited

Alt Resources Limited is an Australian based mineral exploration company that aims to become a gold producer by exploiting historical and new gold prospects across quality assets and to build value for shareholders. The Company's portfolio of assets includes the Bottle Creek Gold Mine and the Mt Ida Gold Projects located in the Mt Ida gold belt Western Australia, the Paupong IRG Au-Cu-Ag mineral system in the Lachlan Orogen NSW, and the Mt Roberts gold project located near the town of Leinster in WA.

Alt Resources Limited, having acquired historical and under-explored tenements in the Mt Ida gold belt, aims to consolidate the historical gold resources, mines and explore new gold targets identified within the Company landholding. Potential exists at Mt Ida to develop a centralised treatment plant to service multiple open pit mines and existing deposits within the Company's Mt Ida projects to become a sustainable and profitable mining operation.
